To Whom It May Concern,

I, Elizabeth Fenner of 814 RHODORA HEIGHTS RD, LAKE STEVENS, WA 98258, have no covenant and/or HOA agreement binding my property and gave no permission to Mr. John Spencer or any other Lake Stevens official to sign any official document of any kind on my behalf.

The signature corresponding to my address and parcel number (01120600004400 ), appearing on an annexation petition by Mr. John Spencer, is therefore invalid. Furthermore, Mr. Spencer has committed a misdemeanor by illegally signing on my behalf. As a matter of record, I am opposed to the annexation of my property into the City of Lake Stevens.
