applicable, the purchase of all materials, supplies, appliances, equipment and facilities,
and the permits, franchises, property and property rights and administrative costs,
necessary, incidental or convenient to effect the implementation of the Project.
The Project may include capitalized interest and the costs of sales tax, acquisition and contingency allowances, financing, and surveys, explorations, engineering and architectural studies, drawings, designs and specifications incidental, necessary or convenient to the implementation of the Project.

Section 4. Purpose, Authorization and Description of Bonds.

A. Purpose and Authorization of Bonds. The County authorizes the issuance of the Bonds to obtain long-term financing for the Project, which may take the form, in part, of a current refunding of the Note, as well as incidental costs and costs related to the sale and issuance of the Note and the Bonds.

B. Description of Bonds. The Bonds will be designated “Snohomish County, Washington, Limited Tax General Obligation Bonds,” with an applicable year and series designation to be established by the Sale Instrument therefor. The Bonds will be dated as of such date, will mature on June 1 or December 1 in each of the years and in the principal amounts, will bear interest (computed on the basis of a 360-day year of twelve 30-day months) from their date or the most recent interest payment date to which interest has been paid or duly provided for, whichever is later, at the rates and payable on June 1 and December 1 in such years, commencing on such date, will be subject to optional and mandatory redemption prior to maturity at the prices, in the amounts and in the manner, and will be subject to such other terms and provisions as the County will establish by the Sale Instrument therefor. The Bonds will be fully registered as to both principal and interest, will be in the denomination of $5,000 each or any integral multiple thereof (but no Bond will represent more than one maturity), and will be numbered separately in such manner and with any additional designation as the Registrar deems necessary for purposes of identification.

C. Initial Immobilization of Bonds; Depository Provisions. The Bonds will initially be held in fully immobilized form by DTC acting as depository pursuant to the terms and conditions set forth in the Letter of Representations. Neither the County nor the Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees with respect to the Bonds with respect to the accuracy of any records maintained by DTC or any DTC participant, the payment by DTC or any DTC participant of any amount in respect of principal or redemption price of or interest on such Bonds, any notice that is permitted or required to be given to registered owners under this ordinance (except such notice as is required to be given by the County to the Registrar or to DTC), the selection by DTC or any DTC participant of any person to receive payment in the event of a partial redemption of such Bonds or any consent given or other action taken by DTC as owner of such Bonds.

The Bonds will initially be issued in denominations equal to the aggregate principal amount of each maturity and will initially be registered in the name of Cede & Co., as the nominee of DTC. Such Bonds so registered will be held in fully immobilized form by DTC as depository. For so long as any such Bonds are held in fully immobilized form, DTC, its successor or any substitute depository appointed by the
County, as applicable, will be deemed to be the registered owner for all purposes hereunder and all references to registered owners, bondowners, bondholders, owners or the like will mean DTC or its nominees and will not mean the owners of any beneficial interests in the Bonds. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except:

(1) To any successor of DTC or its nominee, if that successor will be qualified under any applicable laws to provide the services proposed to be provided by it;

(2) To any substitute depository appointed by the County pursuant to this subsection or such substitute depository’s successor; or

(3) To any person as provided in this ordinance if such Bonds are no longer held in immobilized form.

Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or a determination by the County that it is no longer in the best interests of beneficial owners of the Bonds to continue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the County may appoint a substitute depository. Any such substitute depository will be qualified under any applicable laws to provide the services proposed to be provided by it.

In the case of any transfer pursuant to clause (1) or (2) of the second paragraph of this subsection, the Registrar, upon receipt of all outstanding Bonds together with a written request on behalf of the County, will issue a single new Bond certificate for each maturity of Bonds then outstanding, registered in the name of such successor or such substitute depository, or its nominee, as the case may be, all as specified in such written request of the County.

In the event that DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or the County determines that it is in the best interests of the beneficial owners of the Bonds that they be able to obtain Bond certificates, the ownership of such Bonds may be transferred to any person as provided in this ordinance, and such Bonds will no longer be held in fully immobilized form. The County will deliver a written request to the Registrar, together with a supply of definitive Bonds, to issue Bonds as provided in this ordinance in any authorized denomination. Upon receipt of all then outstanding Bonds by the Registrar, together with a written request on behalf of the County to the Registrar, new Bonds will be issued in such denominations and registered in the names of such persons as are requested in such written request.

D. Place, Manner and Medium of Payment. Both principal of and interest on the Bonds will be payable in lawful money of the United States of America. For so long as any outstanding Bonds are registered in the name of Cede & Co., or its registered
assigns, as nominee of DTC, payments of principal of and interest on such Bonds will
be made in same day funds on the date such payment is due and payable at the place
and in the manner provided in the Letter of Representations.

In the event that the Bonds are no longer held in fully immobilized form by DTC
or its successor (or substitute depository or its successor), interest on such Bonds will
be paid by checks or drafts mailed to the registered owners of such Bonds at the
addresses for such registered owners appearing on the Register on the Record Date for
that interest payment date, or by electronic transfer on the interest payment date to an
account within the United States designated by a registered owner of at least
$1,000,000 in principal amount of the Bonds. The County shall not be required to make
electronic transfers except to a registered owner of Bonds pursuant to a request in
writing received on or prior to the Record Date for that interest payment date and any
such electronic transfer shall be at the sole expense of that registered owner. Principal
of the Bonds will be payable at maturity or on such dates as may be fixed for prior
redemption upon presentation and surrender of such Bonds by the owners to the
Registrar.

E. Sale of Bonds.

1. General; Delegation of Authority. The County hereby authorizes
the public sale of the Bonds. The Finance Director is authorized to execute a
Sale Instrument for the Bonds on behalf of the County in accordance with the
terms of this ordinance.

The Bonds shall be sold in a single series; provided, that:

a. The original aggregate principal amount of the Bonds shall
not exceed $35,100,000;

b. One or more rates of interest may be fixed for the Bonds,
which rate(s) must be in multiples of 1/1000th of 1%, and no rate of interest
for any maturity of the Bonds shall exceed 6.00%;

c. The true interest cost to the County for the Bonds shall not
exceed 6.00%;

d. The purchase price for the Bonds shall not be less than 97%
nor greater than 130% of the original aggregate principal amount of the
Bonds;

e. The Bonds may be issued subject to provisions for optional
redemption prior to maturity at a price of par, plus accrued interest, if any,
commencing not later than 10.5 years following the Date of Issue;
f. The Bonds may be issued subject to provisions for mandatory redemption prior to maturity, including designation of term bonds, if any, at a price of par;

g. The final maturity date of the Bonds shall not be later than December 1, 2049; and

h. The Date of Issue of the Bonds shall not be later than December 31, 2019.

The Finance Director will determine, in consultation with the County’s municipal advisor, whether the Bonds will be sold by negotiated sale or competitive bid.

2. Negotiated Sale. If the Finance Director determines that the Bonds will be sold by negotiated sale, the Finance Director will, in consultation with the County’s municipal advisor, solicit one or more underwriting firms with which to negotiate the sale of the Bonds pursuant to a written purchase contract therefor. Subject to Section 4.E.1 of this ordinance, if the Bonds are sold by negotiated sale, the purchase contract for the Bonds will establish the date, aggregate principal amount, interest payment dates, interest rate(s), maturity schedule and principal amounts per maturity, redemption provisions and delivery date of the Bonds. The County Council authorizes the Finance Director (i) to serve as the County’s designated representative; (ii) to accept, on behalf of the County, the offer to purchase the Bonds pursuant to the purchase contract, which offer must be consistent with the terms of this ordinance; and (iii) to execute and deliver such purchase contract for and on behalf of the County. The Finance Director will provide a copy of the executed purchase contract and report the results of the Bond sale to the County Council at its administrative session next following the sale date of the Bonds.

3. Competitive Bid. If the Finance Director determines that the Bonds will be sold by competitive bid, bids for the purchase of the Bonds will be received at such time or place and by such means as the Finance Director, in consultation with the County’s municipal advisor, will direct. Subject to Section 4.E.1 of this ordinance, if the Bonds are to be sold by competitive bid, the Finance Director is authorized to prepare and distribute or disseminate an Official Notice of Bond Sale for the Bonds, which notice will establish the date, estimated aggregate principal amount, interest payment dates, estimated maturity schedule and principal amount per maturity, redemption provisions and estimated delivery date of the Bonds.

Upon the date and time established for the receipt of bids for the purchase of the Bonds by competitive bid, the Finance Director or his or her designee will open the bids and will cause the bids to be mathematically verified by the County’s municipal advisor. The County Council authorizes the Finance Director (i) to serve as the County’s designated representative; (ii) to accept, on behalf of
the County, the winning bid to purchase the Bonds, which bid may be adjusted
with respect to the aggregate principal amount and principal amount per maturity
as reflected in the written notice of acceptance of winning bid, and which must be
consistent with the terms of this ordinance; and (iii) to execute and deliver such
notice of acceptance for and on behalf of the County. The Finance Director will
provide a copy of the executed notice of acceptance and report the results of the
Bond sale to the County Council at its administrative session next following the
sale date of the Bonds.

The County has irrevocably pledged that the annual tax to be levied for the payment of such principal and interest will be within and as a part of the tax levy permitted to counties without a vote of the people, and that a sufficient portion of the taxes to be levied and collected annually by the County prior to the full payment of the principal of and interest on this Note will be and is irrevocably set aside, pledged and appropriated for the payment of the principal of and interest on this Note. The County has irrevocably pledged its full faith, credit and resources for the annual levy and collection of such taxes and for the prompt payment of the principal of and interest on this Note as the same will become due.

In case any officer who has executed the Note ceases to be an officer of the County authorized to sign the Note before the Note is issued by the County, the Note may nevertheless be issued and delivered and, when issued and delivered, will be as binding upon the County as though that person had continued to be an officer of the County authorized to sign the Note. The Note also may be signed on behalf of the County by any person who, on the actual date of signing of the Note, is one of the officers of the County authorized to sign the Note, although he or she did not hold the required office on the date of issuance of the Note.

H. Delivery of Note. Following the sale of the Note, the County will cause the definitive Note to be prepared, executed and delivered to the purchaser thereof in accordance with the provisions of this ordinance.

Section 6. Registration, Transfer and Exchange of Note and Bonds.

A. Registration, Transfer and Exchange of Note. The Registrar shall keep, or cause to be kept, at its office, sufficient books for the registration and transfer of the Note. The Register for the Note shall contain the name and mailing address of the registered owner (or nominee thereof) of the Note.

The registered ownership of the Note may not be transferred, except for transfer to a successor in interest to the registered owner as a result of merger or consolidation, or sale of substantially all of the assets of the registered owner.

The County as issuer of the Note and as the Registrar, in its discretion, may deem and treat the registered owner of the Note as the absolute owner thereof for all purposes, and shall not be affected by any notice to the contrary.
B. Registration, Transfer and Exchange of Bonds. The County hereby adopts for the Bonds the system of registration specified and approved by the Washington State Finance Committee. The Registrar will keep, or cause to be kept, at its principal corporate trust office, sufficient books for the registration and transfer of the Bonds, which will at all times be open to inspection by the County. Such Register will contain the name and mailing address of the owner (or nominee thereof) of each Bond, and the principal amount and number of Bonds held by each owner or nominee. The Registrar is authorized, on behalf of the County, to authenticate and deliver Bonds transferred or exchanged for other Bonds in accordance with the provisions thereof and of this ordinance, and to carry out all of the Registrar’s powers and duties under this ordinance.

The Registrar will be responsible for its representations contained in the Certificate of Authentication on the Bonds. The Registrar may become the owner of Bonds with the same rights it would have if it were not the Registrar, and to the extent permitted by law may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Bond owners.

Upon surrender thereof to the Registrar, the Bonds are exchangeable for other Bonds of the same maturity and interest rate and for the same aggregate principal amount, in any authorized denomination. Bonds may be transferred only if endorsed in the manner provided thereon and surrendered to the Registrar. Upon such surrender, the Registrar will cancel the surrendered Bond and will authenticate and deliver, without charge to the owner or transferee therefor (other than taxes, if any, payable on account of such transfer), one or more (at the option of the new owner) new Bonds of the same maturity and interest rate and for the same aggregate principal amount, in any authorized denomination, naming as owner the person or persons listed as the assignee on the assignment form appearing on the canceled and surrendered Bond, in exchange therefor. The Registrar will not be obligated to transfer or exchange any Bond during the period beginning at the opening of business on the Record Date for a maturity date and ending at the close of business on such maturity date.

The County and the Registrar, each in its discretion, may deem and treat the registered owner of each Bond as the absolute owner thereof for all purposes, and neither the County nor the Registrar will be affected by any notice to the contrary.

Section 7. Mutilated, Lost, Stolen or Destroyed Note or Bonds.

A. Mutilated, Lost, Stolen or Destroyed Note. If the Note shall become mutilated, the County shall issue and deliver a new Note of the same interest rate, for the same principal amount, and of like tenor and effect in substitution therefor, all in accordance with law, upon the registered owner’s paying the expenses and charges of the County in connection therewith and upon surrender to the Registrar of the mutilated Note. The mutilated Note so surrendered shall be canceled and destroyed by the Registrar.
If the Note shall be lost, stolen or destroyed, the County may issue and deliver a new Note of the same interest rate and for the same principal amount, to the registered owner thereof upon the registered owner’s paying the expenses and charges of the County in connection therewith and upon its filing with the Registrar evidence satisfactory to the Registrar that the Note was actually lost, stolen or destroyed and of its ownership thereof, and upon furnishing the County and the Registrar with indemnity satisfactory to the Finance Director and the Registrar.

B. Mutilated, Lost, Stolen or Destroyed Bonds. If any Bond becomes mutilated, the Registrar will authenticate and deliver one or more (at the option of the registered owner) new Bonds of the same maturity and interest rate and for the same aggregate principal amount, in any authorized denomination, in exchange and substitution therefor, upon the owner’s paying the expenses and charges of the County and the Registrar in connection therewith and upon surrender to the Registrar of the mutilated Bond. Every mutilated Bond so surrendered will be canceled and destroyed by the Registrar.

If any Bond is lost, stolen or destroyed, the Registrar may authenticate and deliver one or more (at the option of the registered owner) new Bonds of the same maturity and interest rate and for the same aggregate principal amount, in any authorized denomination, to the registered owner thereof upon the owner’s paying the expenses and charges of the County and the Registrar in connection therewith and upon his or her filing with the Registrar evidence satisfactory to the Registrar that such Bond was actually lost, stolen or destroyed and of his or her ownership thereof, and upon furnishing the County and the Registrar with indemnity satisfactory to the Finance Director and the Registrar.

Section 8. Pledge of Taxation and Credit. The County hereby irrevocably covenants and agrees that, for as long as the Note or any of the Bonds are outstanding and unpaid, each year it will include in its budget and levy an ad valorem tax upon all the property within the County subject to taxation in an amount that will be sufficient, together with all other revenues and money of the County legally available for such purposes, to pay the principal of and interest on the Note and the Bonds as the same will become due.

The County hereby irrevocably pledges that the annual tax provided for in this ordinance to be levied for the payment of such principal and interest will be within and as a part of the tax levy permitted to counties without a vote of the people, and that a sufficient portion of the taxes to be levied and collected annually by the County prior to the full payment of the principal of and interest on the Note and the Bonds will be and is hereby irrevocably set aside, pledged and appropriated for the payment of the principal of and interest on the Note and the Bonds.
The full faith, credit and resources of the County are hereby irrevocably pledged for the annual levy and collection of said taxes and for the prompt payment of the principal of and interest on the Note and the Bonds as the same will become due.

Section 9. Federal Tax Law Covenants. The County shall comply with the provisions of this section with respect to the Note and the Bonds unless, in the written opinion of nationally-recognized bond counsel to the County, such compliance is not required to maintain the exemption of the interest on the Note or the Bonds, as applicable, from federal income taxation.

The County hereby covenants that it will not make any use of the proceeds from the sale of the Note or the Bonds (or of any other funds of the County that may be deemed to be proceeds of the Note or the Bonds pursuant to Section 148 of the Code and the applicable regulations thereunder) that will cause the Note or the Bonds to be “arbitrage bonds” within the meaning of said Section 148 of the Code and said regulations. The County will comply with the applicable requirements of Section 148 of the Code (or any successor provision thereof applicable to the Note or the Bonds) and the applicable regulations thereunder throughout the term of the Note or the Bonds, as applicable. In particular, the County will compute, if necessary, and pay the Rebate Amount, if any, to the United States of America at the times and in the amounts necessary to meet the requirements of the Code to maintain the federal income tax exemption for interest on the Note and the Bonds, as applicable, as set forth in the applicable Federal Tax Certification.

The County further covenants that it will not take any action or permit any action to be taken that would cause the Note or the Bonds to constitute “private activity bonds” under Section 141 of the Code.

Section 10. Other Covenants and Warranties. The County makes the following additional covenants with and warranties to the owners of the Note and the Bonds:

A. The County has full legal right, power and authority to enact this ordinance, and as of the Dates of Issue of the Note and the Bonds, respectively, will have full legal right, power and authority to sell, issue and deliver the Note or the Bonds, as applicable, as provided in this ordinance and to carry out and consummate all other transactions contemplated by this ordinance.

B. As of the Dates of Issue of the Note and the Bonds, respectively, by all necessary official action, the County will have duly authorized and approved the execution and delivery of, and the performance by the County of its obligations contained in, the Note or the Bonds, as applicable, and this ordinance and the consummation by it of all other transactions necessary to effectuate this ordinance in connection with the issuance of the Note or the Bonds, as applicable, and such authorizations and approvals will be in full force and effect and will not have been amended, modified or supplemented in any material respect.
C. This ordinance, when effective, will constitute a legal, valid and binding obligation of the County.

D. When issued, sold and delivered as provided in this ordinance, the Note and the Bonds will constitute legal, valid and binding general obligations of the County.

E. The County will maintain or cause to be maintained (1) a system of registration of the Note that complies with the applicable provisions of the Code until the Note shall have been surrendered and canceled, and (2) a system of registration of the Bonds that complies with the applicable provisions of the Code until all of the Bonds shall have been surrendered and canceled.

F. The enactment of this ordinance, and compliance on the County’s part with the provisions contained herein, will not conflict with, constitute a breach of, or constitute a default under, any constitutional provisions, law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, ordinance, motion, agreement or other instrument to which the County is a party or to which the County or any of its property or assets are otherwise subject.

G. The Note and the Bonds will be issued within all statutory and constitutional debt limitations applicable to the County.

Section 11. Note and Bond Funds. There has heretofore been created in the office of the Finance Director a special fund known as the “Limited Tax General Obligation Debt Service Fund” to be drawn upon for the purpose of paying the principal of and interest on the limited tax general obligation bonds of the County. There are hereby authorized to be created within said fund (a) a special account for the Note to be known as the “Limited Tax General Obligation Bond Anticipation Note Redemption Account, 2019” (the “Note Fund”) and (b) a special account for the Bonds to be known as the “Limited Tax General Obligation Bond Redemption Account,” with an applicable year and series designation matching those for the Bonds (the “Bond Fund”).

Any accrued interest received from the sale of the Note or the Bonds will be deposited into the Note Fund or the Bond Fund, as applicable, at the time of delivery of the Note or the Bonds, as applicable, and will be applied to the payment of interest thereon.

The taxes levied for the purpose of paying principal of and interest on the Note or the Bonds and other funds to be used to pay the Note or the Bonds will be deposited in the Note Fund or the Bond Fund, as applicable, no later than the date such funds are required for the payment of principal of and interest on the Note or the Bonds, as applicable; provided, however, that if the payment of such principal or interest is required prior to the receipt of such levied taxes, the County may make an interfund loan to the Note Fund or the Bond Fund, as applicable, pending actual receipt of such taxes. The Note Fund will be drawn upon solely for the purpose of paying the principal of and interest on the Note and the Bond Fund will be drawn upon solely for the purpose
of paying the principal of and interest on the Bonds. Money in the Note Fund and the
Bond Fund not needed to pay the interest or principal next coming due may temporarily
be deposited in such institutions or invested in such obligations as may be lawful for the
investment of County funds.

Section 12. Application of Note and Bond Proceeds—New Money. The
County has heretofore created the Emergency Communications and Facilities Fund,
which fund is hereby designated for the receipt and expenditure of Note and Bond
proceeds to be used to provide funds for the Project and to pay costs related to the sale
and issuance of the Note and the Bonds.

The exact amount of proceeds from the sale of the Note and the Bonds, as
applicable, to be deposited into the Emergency Communications and Facilities Fund to
provide funds for the Project shall be determined by the Finance Director upon the sale
thereof.

Section 13. Application of Bond Proceeds—Current Refunding. The exact
amount of proceeds from the sale of the Bonds to be deposited into the Note Fund and
applied to the payment of the principal of and interest on the Note shall be determined
by the Finance Director upon the sale of the Bonds.

Section 14. Investment of and Accounting for Funds. Funds deposited in the
funds and accounts described in Sections 12 and 13 of this ordinance will be invested
as permitted by law for the sole benefit of the respective funds. Money other than
proceeds of the Note and the Bonds may be deposited in the funds and accounts
described in Section 12 and 13 of this ordinance; provided, however, that proceeds of
the Note or the Bonds, and the earnings thereon, will be accounted for separately for
purposes of the arbitrage rebate computations required to be made under the Code.
For purposes of such computations, Note proceeds will be deemed to have been
expended first, then Bond proceeds, and then any other funds.

Section 15. Preliminary Official Statement and Final Official Statement for the
Bonds. The County hereby authorizes and directs the Finance Director: (i) to review
and approve the information contained in the preliminary official statement (the
"Preliminary Official Statement") prepared in connection with the sale of the Bonds; and
(ii) for the sole purpose of compliance by the purchaser of the Bonds with subsection
(b)(1) of the Rule, to "deem final" the Preliminary Official Statement as of its date,
except for information permitted to be omitted therefrom by the Rule. After the
Preliminary Official Statement has been reviewed and approved in accordance with the
provisions of this section, the County hereby authorizes the distribution of such
Preliminary Official Statement to prospective purchasers of the Bonds.

Following the sale of the Bonds, the Finance Director is hereby authorized to
review and approve on behalf of the County a final official statement with respect to the
Bonds. The County agrees to cooperate with the purchaser of the Bonds to deliver or
cause to be delivered, within seven business days from the date of the Sale Instrument
and in sufficient time to accompany any confirmation that requests payment from any
customer of such purchaser, copies of a final official statement pertaining to the Bonds
in sufficient quantity to comply with paragraph (b)(4) of the Rule and the rules of the
Municipal Securities Rulemaking Board.

Section 16. Undertaking to Provide Ongoing Disclosure with Respect to the
Bonds. The Finance Director is hereby authorized and directed to enter into a written
undertaking for the benefit of owners and beneficial owners of the Bonds to the extent
required by and consistent with the requirements of paragraph (b)(5) of the Rule, as
applicable to a participating underwriter for the Bonds.

Section 17. General Authorization. The Finance Director and other appropriate
County officials, agents and representatives are hereby authorized and directed to do
everything necessary for the prompt sale, issuance, execution and delivery of the Note
and the Bonds, and for the proper use and application of the proceeds of the sale
thereof.

Section 18. Refunding or Defeasance of the Note or the Bonds. The County
may issue refunding obligations pursuant to the laws of the State of Washington or use
money available from any other lawful source to pay when due the principal of and
interest on the Note or the Bonds, or any portion thereof included in a refunding or
defeasance plan, and to redeem and retire, refund or defease part or all of the Note or
the Bonds and to pay the costs of the refunding or defeasance.

In the event that money and/or noncallable Government Obligations maturing at
such time or times and bearing interest to be earned thereon in amounts (together with
such money, if necessary) sufficient to redeem and retire, refund or defease part or all
of the Note or the Bonds in accordance with their respective terms, are set aside in a
special account of the County to effect such redemption and retirement, and such
money and the principal of and interest on such Government Obligations are irrevocably
set aside and pledged for such purpose, then no further payments need be made into
the Note Fund or the Bond Fund, as applicable, for the payment of the principal of and
interest on the portion of the Note or the Bonds so provided for, which will cease to be
entitled to any lien, benefit or security of this ordinance except the right to receive the
money so set aside and pledged, and such portion of the Note or the Bonds will be
deemed not to be outstanding hereunder.

Section 19. Contract; Severability. The covenants applicable to the Note
contained in this ordinance shall constitute a contract between the County and the
registered owner of the Note, and the covenants applicable to the Bonds contained in
this ordinance will constitute a contract between the County and the owners of each and
every Bond. If any one or more of the covenants or agreements provided in this
ordinance to be performed on the part of the County shall be declared by any court of
competent jurisdiction to be contrary to law, then such covenant or covenants,
agreement or agreements, will be null and void and will be deemed separable from the
remaining covenants and agreements of this ordinance and will in no way affect the
validity of the other provisions of this ordinance, the Note or the Bonds.
