

WORK SLATED FOR SUMMER 2019

Menzel Lake Road Culvert Replacement

Snohomish County Public Works will be replacing a culvert under the road at 5617 Menzel Lake Road during summer 2019. The current culvert is on a fish-bearing stream and will be replaced with a 15-foot wide concrete box culvert. The new culvert will improve fish passage.

Timeframe

Work is anticipated to take place during the summer of 2019.

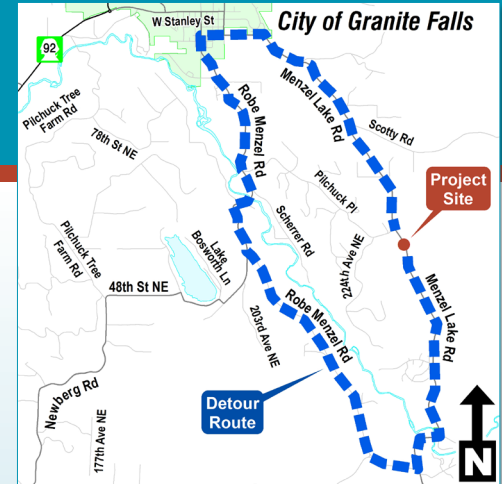

More Information

For more information or to sign up for email alerts, visit www.snohomishcountywa.gov/menzel or contact Keith Hume at Keith.Hume@snoco.org, 425-262-2608.

Traffic Impact

To install the new culvert, the road will be fully closed near 5617 Menzel Lake Road during construction.

- This closure will last approximately three weeks and occur between July and September. Specific dates of the closure will be posted on the website in spring 2019.
- A signed detour route will be posted (see map).
- Local access will remain available to residents and businesses on Menzel Lake Road during the closure.
