

Notice of Land Disturbing Activity and SEPA Threshold Determination 180th Street SE Phase II Improvements

Project Description:

Snohomish County Public Works proposes roadway improvements to 180th St SE between 23rd Avenue SE and 35th Avenue SE. The existing roadway consists of two lanes with a center turn lane, narrow shoulders and intermittent curb, gutter and sidewalks. This project will widen the roadway to include a center turn lane, two additional travel lanes and bicycle lanes. The improvements will include curb, gutter and sidewalks on both sides of the road. The proposed improvements will improve roadway safety, improve traffic flow, and promote multi-modal mobility through the corridor.

Project Timing and Earthwork Quantities:

Construction of this project is planned for 2024. Approximately 6,600 cubic yards of cut and 6,000 cubic yards of fill material will be required for this project.

State Environmental Policy Act (SEPA) Decision:

On March 29 2019, Public Works determined that this project does not have a probable, significant adverse impact on the environment and has issued a Determination of Non-significance (DNS). An environmental impact statement (EIS) under RCW 43.21C.030(2)(c) is not required. This decision was made after review of SEPA documents and other information on file with this agency. These documents are available for public review upon request.

For SEPA DNS projects:

This DNS may be appealed pursuant to the requirements of Snohomish County Code (SCC) 30.61.300 and Chapter 2.02 SCC. There is a 21-day appeal period that commences on the date of publication of notice. The appeal must be received by 5pm, April 29, 2019.
