Analysis of Impediments to Fair Housing Choice
Final Report
September 14, 2012**

Errata Sheet February 12, 2013

The following clarifications and corrections are made to the Analysis of Impediments to Fair Housing Choice (AI) for the Snohomish County Urban County Consortium, dated September 14, 2012:

1. The third full paragraph on Page 5 of Section III of the AI (PDF Page 90) is amended to read as follows:

A household's place on the wait list is on a first come first serve basis. However, HASCO does make exceptions for certain households where the vouchers have been designated by HUD to provide assistance to specific populations. The vouchers are allocated from HASCO's waitlist or via referrals from the Veterans Administration and the Department of Health and Human Services (DSHS), depending on the population served. Families whose head of household are in one of the following categories, and also meet other eligibility criteria, may qualify for one of these special purpose vouchers:

- Homeless Veterans, referred and supported by Veterans Administration (VA);
- Non-elderly (under 62) disabled – confirmed by HUD stated disability form, SSI;
- Non-elderly (under 62) disabled persons exiting health care facilities, referred and supported by DSHS;
- Families involved in the Child Welfare System and youth aging out of foster care who lack adequate housing, referred and supported by DSHS.

2. The first bullet point under the third paragraph on Page 7 of Section III of the AI (PDF Page 92), which refers to bonus points awarded by HUD to HASCO on its Section Eight Management Assessment Program (SEMAP) for its efforts to de-concentrate poverty, is deleted.
