SNOHOMISH COUNTY JOB DESCRIPTION

FISCAL SUPERVISOR

Spec. No. 2207

BASIC FUNCTION

To plan, coordinate, supervise and manage the fiscal operations of the assigned unit or department.

STATEMENT OF ESSENTIAL JOB DUTIES

1. Plans, coordinates and manages the accounting, financial research, and management operations of the assigned department or unit; develops work plans, monitors actual progress and assesses employee performance against goals and objectives; coordinates accounting activities with other county departments and divisions as required.

2. Directs and supervises the work of subordinate staff; establishes staffing and scheduling requirements; recommends various personnel actions, including selection, promotion, reassignment and discipline.

3. Trains or provides for the training of subordinate employees; responds to employee questions on accounting policies and procedures; reviews staff decisions in relation to departmental policies and objectives.

4. Reviews and analyzes accounting, financial, and office policies and procedures; develops and recommends new and/or improved policies and procedures; coordinates the implementation of policies and procedures within the department or unit as necessary.

5. Meets with department and/or division managers and employees to discuss financial and accounting related concerns; coordinates the identification and correction of financial system inconsistencies; identifies problems, establishes facts, identifies, recommends and implements solutions.

6. Reviews reports and statements developed by department employees for adherence to accounting and legal requirements; personally prepares or directs the preparation of accounting statements and reports as required.

7. Prepares or directs the preparation of the departmental annual operating budget in conjunction with management; administers the approved budget and monitors expenditures; develops long and medium range financial plans for consideration and approval.

8. Ensures compliance by vendors or subcontractors with all applicable federal, state, county or other regulations; maintains Fiscal monitoring controls.

9. In conjunction with staff, may administer state and federal grant programs, including management of the application process, tracking procedures, and periodic reimbursement requests; may serve as the liaison with other agencies as necessary and represent department in audits conducted by state and federal agencies.
STATEMENT OF OTHER JOB DUTIES

10. Performs related duties as required.

11. When assigned to Emergency Management, during ECC activations, exercises authority and sound judgment to lead an assigned team to coordinate various facets of disaster response and recovery activities. In this capacity, the incumbent may work extended hours for periods that may last for several days or weeks.
