

SNOHOMISH COUNTY JOB DESCRIPTION

PUBLIC WORKS SUPERVISOR II

Spec No. 3038

BASIC FUNCTION

To supervise a work group of professional or technical employees performing professional assignments requiring the application of standard principles and methods.

Distinctions in levels are determined based upon the size of staff, the number of areas and the level of knowledge and experience necessary to perform effectively, scope of program responsibility and the overall impact of the function on the department and community.

Any position within the series may perform duties associated with any of the other positions in the series. Reclassifications within the series should only be made when a particular position meets on a routine basis a preponderance of characteristics that distinguish one position in the class from another.

STATEMENT OF ESSENTIAL JOB DUTIES

1. Plans and directs all office and field activities related to a specific work group function.
2. Acts as a technical resource for staff resolving problems; oversees the preparation of work products necessary to carry out functions and operations of the work group while remaining consistent with county and department standards, principles, methods and priorities; signs off on appropriate documents as required.
3. Assigns, supervises and evaluates the work of subordinate employees as required; advises, assists and trains subordinates as necessary; participates in the selection of new employees, and makes recommendations regarding the hiring, discipline, and termination of subordinate employees.
4. Develops and implements policies, procedures and budgets related to specific work group functions and ensures that area of operations complies with applicable federal and state laws, regulations and guidelines, and with county ordinances, policies and procedures.
5. Coordinates operations and promotes partnerships with other county departments and programs, outside agencies, citizen groups and the general public as necessary; provides technical assistance to other public agencies or sections as required.
6. Supervises or participates in the conduct and review of studies, needs assessments and other activities used to plan or evaluate services provided by the work group. Drafts recommended modifications to applicable ordinances, regulations, policies, procedures and standards.
7. Prepares reports and recommendations to the County Council, various community groups and outside agencies as necessary; may conduct or participate in public hearings to explain program plans and solicit public input.

Spec No. 3038

STATEMENT OF ESSENTIAL JOB DUTIES (Continued)

8. Responds to inquiries from the public regarding specific problems or issues in area of assignment.
9. Prepares grant applications and other documents to obtain alternative or supplemental funding sources for programs; negotiates and administers participation contracts with groups, agencies and individuals; maintains liaison with representatives of funding agencies as necessary.
10. Recommends modifications to county codes and associated regulations, procedures and engineering standards.
11. Prepares short term and long range work program and service plans which identify and prioritize proposed projects and programs.
12. Assists the supervising supervisor, manager or director in developing and implementing systems, programs, and long range plans to provide for effective PWD operations.
13. Advises Division Director or Supervisor on the need for public information and involvement efforts; directs design and implementation of such efforts.
14. Performs other related duties as assigned.

Distinguishing Characteristic of Class:

Regularly interacts with other Snohomish County departments.

May be involved in making recommendations on county ordinances and programs.

MINIMUM QUALIFICATIONS

A Bachelor of Science or Arts degree in a professional field related to the group function and four (4) years of experience with at least three (3) years equivalent to a senior professional position within the area of specialization including at least one (1) year supervisory or lead experience; OR, any equivalent combination of education and experience which provides the required knowledge, skill and ability to perform the work. Must pass job related tests.

SPECIAL REQUIREMENTS

Eligibility for a Professional Engineer's license is required if the position supervises professional engineering positions. If the position supervises professional land surveyors a Professional Land Surveyor's license or Land Surveyor-in-Training Certificate with passing of Professional Land Surveyor's exam within one year of hire date is required.

If the position supervises CAD technicians, a working knowledge of AutoCAD civil is required.

SNOHOMISH COUNTY JOB DESCRIPTION

PUBLIC WORKS SUPERVISOR II

Spec No. 3038

SUPERVISION

The employee reports to and receives direction from a supervisor. The employee supervises at least four full-time staff and may supervise temporary employees. The work requires considerable independent judgment and discretion in developing and achieving work unit goals and objectives. The work is reviewed through meetings and periodic status reports, and by evaluation of results obtained.

Distinguishing Characteristic of Class:

Supervises a group of employees in a technical or professional classification.
Supervises four or more positions

WORKING CONDITIONS

The work is performed in an office environment with frequent field trips to locations throughout the county to make site visits, attend meetings, or coordinate work activities. Meetings or project requirements may involve working evenings, weekends or holidays as necessary.

Snohomish County is an Equal Employment Opportunity (EEO) employer.
Accommodations for individuals with disabilities are provided upon request.
