Re: Lake Stevens Sewer District Annexation (BRB file #02-2018)

The Lake Stevens Sewer District has submitted a Notice of Intention (NOI) to the Boundary Review Board for a 60% petition method annexation of a 26.84 acre area. The proposal area contains eighteen parcels with thirteen residences. The NOI was deemed legally sufficient and filed with the BRB on April 30, 2018.

The 45-day review period expires June 14, 2018; please provide all comments regarding this NOI by the close of business day.

Thank you for your help in the review of this proposal.
