

2020/2021 RFP for HOME TBRA Q&A

Updated November 8, 2019

Questions submitted to OCHS staff from 11/1/19 through 11/7/19;

Q: Should applicants separate funding request for administration costs from the funding request for program costs in the Proposed Project Budget Attachment B?

A: Yes. Funding request for administration costs should be listed in the HOME TBRA Project Admin column under the Expenditures tab.

Questions submitted to OCHS staff from 10/16/19 through 11/1/19;

Q: Are HOME TBRA projects required to participate in HMIS?

A: Agencies administering HOME TBRA projects must execute an HMIS Agreement with the County. Client level data is not required in HMIS for deposit and utility assistance. However, client level data is required in HMIS for rent assistance if funds become available.

Application Workshop (10/16/19)

Q: Are funds made available for administrative costs in addition to the \$100K for program operations?

A: Yes, the County anticipates funding up to \$10,000 annually for administrative costs through other County funds (the County reserves the right to increase or decrease this amount based on funds available). This is in addition to the estimated \$100,000 available for program operations.
