

## SNOHOMISH COUNTY LODGING TAX ADVISORY COMMITTEE (LTAC)

This committee was established to review applications for funding from lodging taxes collected by the county, and make recommendations to the Council on those applications and related lodging tax issues. Per RCW 67.28, the Committee comprises 5 members: *one member shall be an elected official of the municipality who shall serve as chair of the committee, at least two members who are representatives of businesses required to collect (the) tax, and at least two members who are persons involved in activities authorized to be funded by revenue (generated by the tax); the number of members who are representatives of businesses required to collect (the) tax shall equal the number of members who are involved in activities authorized to be funded by revenue (generated by the tax).*

In addition, Snohomish County Code 4.41 establishes that members are appointed at large by the County Council on motion and permits appointment of an ex-officio (non-voting) representative. While there is no defined term of service, appointments are reviewed annually by Council. Contact Rich Huebner 425-388-6626.
