Mr. Maccready and Ms. Mumma

I am also emailing you about my "VEHEMENT OPPOSITION TO BSRE VARIANCE APPLICATIONS for Point Wells",, just as Mr. and Mrs Krepick have done. The Krepicks have factually and honestly laid out the reasons why the Point Wells development should NOT go thru. As they mention, we (the public who live here) have been against this development for 10 years. You need to listen to us ... the people who will be affected by this. WE DO NOT WANT THIS! The only "true" reason that BSRE is pushing this thru, is for financial reasons ... GREED! This development is all to familiar to the Wayne Golf Course scam by Joshua Freed. Allowing this development to happen is JUST WRONG!
Please do not sell out.
