

Welcome to Zoom Court Hearings

For the continued safety of the public and court staff, the court will be conducting some court hearings using **ZOOM**.

- It is your responsibility to make sure the court has a valid phone number and email address to be used to send you information to access your ZOOM hearings. **Appearance at ZOOM hearings is mandatory.**
- If you have not already provided contact information to your attorney, please send an email to Amy.Maheshwari@snoco.org or call (425) 388-7832 to provide your cell phone number and an email address that will be used only for this purpose.
- ***Please make sure you keep the court updated if your cell number or email address changes.***

If you do not have access to a smart phone or computer that lets you use Zoom, or if you require an accommodation under the Americans with Disabilities Act, or require the assistance of an ASL interpreter, you must attend your next hearing in person.

ZOOM Hearings:

3-5 days before your hearings, you will receive a ZOOM meeting link and password.

This link will allow you to either call into the meeting using a local telephone number and password or follow the link and join the meeting by video.

Five minutes before the start of your hearing you need to join the meeting. You will be muted until your specific hearing is called. Please do not leave the meeting until the Judge has told you your hearing is done.

Copies of your court orders will be mailed to you. Please keep your address updated.
