I am strongly opposed to the BSRE development at Point Wells.

There are many-many reasons, previously enumerated.

However, my pet peeve (objection), is the amount of traffic it would force through the Richmond Beach (road) corridor.

Even a second access road through Woodway would not eliminate the squeeze, and traffic congestion.

It does not take a genius to figure this out....

Too much analysis leads to paralysis.
Common sense should prevail !!!

Please shoot (shut) this development proposal down.

Thank you.

Respectfully,
