Subject: Point Wells - BSRE redevelopment proposal
Date: Friday, November 20, 2020 7:50:12 AM

Hello, I live in Shoreline, specifically Richmond Beach and I oppose the development as proposed.

1) the significant increase in traffic on Richmond Beach road would overwhelm the effectiveness of this road. In addition to our local inability to get in and out of RB safely and efficiently, there would be a significant increase in noise and pollution.

2) The density requested by BSRE is too much.

Thank you. Larry
