**SNOHOMISH COUNTY, Wash.** – Pursuant to a request received from Bothell Chief of Police Kenneth Seuberlich, SMART Investigators are releasing video footage evidence related to the July 29, 2020 officer involved shooting that occurred in Bothell. With concurrence from Snohomish County Prosecuting Attorney Adam Cornell, SMART is releasing two videos which investigators obtained from nearby residential security cameras, fulfilling SMART's obligation under Washington State Administrative Code (WAC 139-12-030) regarding Independent Investigation Criteria.

At about 7:30PM on July 29, Bothell Police responded to a 911 call reporting a male subject slashing tires with a knife near 228<sup>th</sup> Ave SE and 20<sup>th</sup> Ave SE in Bothell. The first responding Bothell officer made contact with the male subject, at which point the subject advanced towards the officer with a knife and the officer fired multiple shots at him. The officer then radioed that shots had been fired and requested aid. Other responding officers immediately began performing life saving measures on the adult male subject.

Once medics arrived they transported the male subject to Harborview Medical Center where he succumbed to his injuries. A knife was recovered from the scene.

The decedent has been identified by the Snohomish County Medical Examiner's Office as Juan Rene Hummel.

The investigation into SMART case 20-04 is ongoing. Investigators are awaiting additional test results from the Washington State Patrol lab.
