

## **Snohomish County Future Workforce Alliance**

### **Board Policy**

#### **Policy**

- Policy: Prohibition of Political Activity
- Effective Date: May 12, 2020
- Policy Number: 140

#### **Background**

The Snohomish County Future Workforce Alliance Board (Board) is issuing this policy in conformance with Washington State Employment Security (ESD) Policy #1018. This policy addresses the restrictions on political activities paid with federal or state funds and the disclosure requirements for other allowable political activities if paid with private funds. The purpose of this policy is to ensure that all organizations receiving federal or state funds are aware that these restrictions apply to all political activities.

#### **Policy**

Entities that do not receive federal funds, including but not limited to WorkSource partners, are also prohibited from participating in political activities when these activities take place under the auspices of the WorkSource system or within its environment (i.e. at a WorkSource Center or Affiliate Site or in the service delivery environment of WorkSource).

Prohibited political activities include, but are not limited to, the following:

- Attempts to influence the outcomes of any federal, state, or local election, referendum, initiative, or similar procedure, through in kind or cash contributions, endorsements, publicity, or similar activity.
- Establishing, administering, contributing to, or paying the expenses of a political party, campaign, political action committee, or other organization established for the purpose of influencing the outcomes of elections.

All grant and contracts must include statements in their general conditions to ensure compliance with the requirements of this policy. In cases where a subrecipient or partner conducts political activities, a Disclosure of Lobbying Activities form must be filed with Workforce Snohomish for such political activities (allowable within the specific funding source) that have been, or will be, paid for with funds other than state or federal funded. Workforce Snohomish will submit the disclosure form to ESD on behalf of any disclosures within their area.
