

Notice of Land Disturbing Activity (LDA) Permit Application Alderwood Mall Parkway (SR 525 NB On/Off Ramps to 168th St SW)

Project Type: Road Improvement

Description:

Snohomish County proposes to improve traffic flow and capacity on Alderwood Mall Parkway by widening to a five-lane road between the northbound ramps of SR 525 and 168th St SW. The existing road consists of two travel lanes and creates a bottleneck with the surrounding five-lane road to the north and south of the project, contributing to congestion during peak hours. The project will construct new travel lanes, bike lanes and sidewalks, and modify the intersection of the SR 525 northbound ramps and Alderwood Mall Parkway. The existing culvert for Box Spring Creek will be upgraded

to a fish-passable box culvert. The project will provide a vital link between urban centers and is necessary to accommodate expected growth in the Lynnwood area. Construction is proposed to start in spring 2024 and end in summer 2025.

Location:

The project area is located in southwest Snohomish County between 168th St SW and the SR 525 northbound on/off ramps, northeast of the City of Lynnwood, in Section 10, Township 27 North, Range 4 East, W.M.

Area to be cleared or grubbed: 2.7 acres
Cut quantity: 4,400 cu. yds.; Fill quantity: 5,200 cu. yds.
