Applicants Sought for Public Facilities and Infrastructure Projects Designed to Prevent, Prepare for, and Respond to the Coronavirus

Applications for $619,176 in federal funds for public facilities and infrastructure will be accepted until January 7, 2022.

SNOHOMISH COUNTY, Wash., December 3, 2021- Snohomish County is encouraging nonprofit organizations and government agencies to review the Notice of Fund Availability (NOFA) and submit applications for public facility and infrastructure projects designed to prevent, prepare for, and respond to the direct and indirect effects of the COVID-19 pandemic, and to mitigate future risks.

A total of $619,176 in federal funds is available. Projects must primarily benefit low- and moderate-income persons or neighborhoods in Snohomish County.

Interested applicants are encouraged to attend a virtual application workshop on Tuesday, December 14, 2021, from 10:30 a.m. to 12:00 p.m. Information on how to access the virtual (Zoom) application workshop and details of eligibility and other program requirements are available in the NOFA starting on Friday, December 3, 2021, at: CDBG-CV3 Public Facility & Infrastructure Application

Applications must be completed and received at the Snohomish County Human Services Department by 4:00 p.m., on Friday, January 7, 2022.

For additional information contact Jackie Anderson, Division Manager, Housing and Community Services at 425-388-3237 or JackieM.Anderson@snoco.org.

The Snohomish County Human Services Department helps all persons meet their basic needs and develop their potential by providing timely, effective human services and building community. The Housing & Community Services Division administers a wide range of programs that provide affordable housing, community development, and related services to low-income and homeless persons.
