

SLS STILLY IT UPDATES

July 9th, 2020

JULY -- UPDATES

- Stilly IT invited Randi Shaw, TNC, to join
 - TNC is a landowner and project proponent in the Stilly Valley
 - TNC is a key partner
- Morgan Ruff, Tulalip Tribes, is back from furlough
- Working on FbD application due end of July

JULY -- UPDATES

- Phase II Pilot Stilly IT: use FbD grant process as the external driver to test IT functions, role and efficacy
- August 2020 currently ends Phase II
- IT will use August to:
 - Determine what worked/didn't work with pilot
 - Discuss next year's work focus and what would benefit from collaboration
 - Discuss staffing for group based on work
 - IT is interested in hearing SLS EC and broader SLS partners views on the three bullets above
 - Discuss next steps within IT and with SLS EC/partners – NOTE: pretty tight timeline with focus on complex grant submittal July 31st and SLS partner meeting 8/13/20 – likely this will need to extend into the fall)
 - Revise the working Strategy Document

SLS STILLY IT DOCUMENTS

These documents have been brought forward and discussed with the SLS between October 2019 and July 2020.

- Stilly IT Working Strategy Document: SLS-EC and Stilly IT Relationship; Goals and Values, Decision-making, Community Engagement
- Stilly Project Proponent Considerations
