

How to Use This Form

No voter should appear in more than one category.

Do not enter in shaded areas. These areas are populated with formulas.

Numbers should be reported per RCW 29A.60.235(2). Include any other information deemed necessary to reconcile.

Comments containing information specific to a cell may be viewed by hovering your mouse over the cell.

Provide information necessary to reconcile the number of ballots counted with the total number of voters credited.

If unable to reconcile voters credited to votes cast, include narrative describing processes followed to resolve discrepancies.

The print area is preset for the form. A PDF of the final form should be available on your elections website.
