

Instructions for using this form:

Do not enter in shaded cells. Shaded cells have formulas to provide ballot totals. If a total does not appear, it means the numbers do not reconcile. Numbers reported should reflect those required by RCW 29A.60.190 and 29A.60.235.

Comments containing information specific to a cell may be viewed by hovering your mouse over the cell.

The total reconciled in the detail report should equal zero and appear in green when the ballots are reconciled. Per WAC 434-262-070 a narrative of discrepancies & errors should be included in the official certification report.

The print area is preset for a 8.5 x 11 page.

A PDF of the final form should be placed on your elections
