

Canvassing Board Informational Reports

April 26, 2022
Special Election

Final Report - May 6, 2022

Snohomish County Elections
A Division of the Auditor's Office

Garth Fell, Auditor

Election Summary

The April 26th Special Election featured propositions from five Snohomish County school districts and the City of Mill Creek.

The turnout for this election was nearly 29%. More voters returned their ballots by the United States Post Office (51.43%) than by official Snohomish County return ballot drop boxes. (48.57%)

A Logic & Accuracy test was conducted on April 7 in accordance with RCW and WAC. Snohomish County held the official random batch audit on April 27 in accordance with RCW and WAC. Marysville School District #25 Prop. 2 was chosen, and six randomly selected batches were hand-counted for that specific race. The results of the six hand-counted batches exactly matched the results of the tabulation system. Snohomish County also performed in a pilot risk limiting audit (RLA) for the City of Mill Creek Prop. 1. The RLA pilot confirmed the election outcome.

The Audit Summary report details the findings of both the random batch and the duplicated ballots audits.

In terms of election accountability and reconciliation, there is one more voter credited than ballots counted due to an empty envelope returned and not caught during ballot processing and extraction.

Challenged: Mail ballot envelopes or provisional ballot envelopes that are not processed due to a variety of voter related issues or actions.

ClearVote: Snohomish County's vote tabulation system

Logic & Accuracy Test: an official test of all programming and tabulation equipment to be used in the election

Random Batch Audit: a manual hand recount of all ballots contained in six selected batches on a single race chosen by representatives of each major political party.

Risk Limiting Audit (RLA): a method to verify the election results by using statistical principles and sampling designed to limit the risk of certifying an incorrect election outcome.

UOCAVA: refers to voters who are members of the uniformed armed services, their family members, and US citizens living abroad

VoteWA: Statewide election management/ voter registration database.

Election Statistical Summary

	Total	Percentage	Comparative Data	Comment
Voter Registration				
Registered voters eligible to participate	109,562		123,023 - 2021 April Special
