

# **Lake Stevens Community County Park History**

Formerly an old homestead and timber harvesting site. The property was purchased from Roesler Timber Company in 1996, with the assistance of the Lake Stevens Junior Athletic Association (LSJAA).

A master plan was created with community involvement in 1998. Wyser Construction was awarded the project with the low bid of \$4.3 million. Construction began in the fall of 2008.

Funding included park impact mitigation fees collected in the Lake Stevens area, Real Estate Excise Tax revenues allocated by the County Council and a grant from the State of Washington Recreation Conservation Office.
